

New Age Markets in Electricity Private Limited

STAKEHOLDER CONSULTATION

Invitation of comments and suggestions

New Age Markets in Electricity (N.A.M.E), has applied to Hon'ble CERC for establishing and operating the first Over The Counter (OTC) Platform in the country.

The matter was listed for admission on hearing on July 05, 2022 and Hon'ble Commission has admitted the petition. The Hon'ble Commission further directed NAME to give wide publicity to the OTC Platform and upload the application again on its website for inviting comments and suggestions from stakeholders.

Accordingly, NAME invites comments/suggestions from all the stakeholders on Petition 157/MP/2022 filed before the Hon'ble CERC for establishing and operating an OTC Platform. Following documents are available on our website www.newage.market for reference:

- NAME Petition 157/MP/2022
- Record of Proceedings on Petition 157/MP/2022 for the hearing held on July 05, 2022

OTC Platform, as envisioned by the Hon'ble CERC and the Ministry of Power, will catalyze speedier digitalization, facilitate de-carbonization, enhance assimilation and dissemination of data analytics in the energy trading eco-system including the energy production and distribution value-chain.

We firmly believe that OTC platform will be the catalyst for all the stakeholders to unlock the true potential of their services.

The suggestions may be sent to NAME latest by **July 23, 2022** at the following address:

Managing Director,

New Age Markets in Electricity

6th Floor, A wing, Statesman House

Connaught Place, New Delhi 110001.

The suggestions can also be sent through email to Kapil.dev@panaaya.in in pdf and MS word format.
